7. The Judging Committee chaired by the President, ESI will comprise eminent entomologists constituted by the society, will evaluate the nominations and select the awardees. The decision of President, ESI will be final.
8. **There are two awards under this category. A citation and memento will be given to the awardees** in a simple public ceremony/through post (in absentia) (The date & the venue will be notified as and when finalized).
9. **Each awardee will have to present his/her research work in an awards ceremony/seminar**

Complete nominations are to be submitted through email esiaward@gmail.com in single PDF (hardcopy will not be entertained) on or before 05 PM of the **31 October 2026 (Extended date)**. No correspondence will be entertained in this regard.

GUIDELINES FOR EVALUATION OF NOMINATIONS FOR ESI SENIOR ENTOMOLOGIST AWARD 2025-2026

❖ The primary objective of this category of awards is to encourage senior scientists below the age of 50 years of commitment and creativity reflected through their contributions to entomology.

ALLOCATION OF MARKS

Allocation of marks for different criteria **(Total 100 marks)**

1. Publications

A. Ten Best Research Publications	– maximum 50 marks
B. Other Research Publications	– maximum 10 marks
2. Products, Technologies, Discoveries and Patents	– maximum 20 marks
3. Externally Funded Projects	– maximum 10 marks
4. Involvement in Teaching/Extension activities	– maximum 05 marks
5. Evaluation committee	– maximum 05 marks

1. PUBLICATIONS: Research publications will be given marks according to the 2026 NAAS score of Journals

A. Ten Best Research Publications **– maximum 50 marks**

(i) The Nominee should enlist only ten best publications wherein he/she is the first or corresponding authors

(ii) The nominees should submit the **list of their 10 best research publications (NAAS Rating ≥7), of relevance to Entomology, in chronological order**. For each publication give name(s) of the author(s), indicate the corresponding author by asterisk'*' after his/her name, year of publication, full title, name of the journal, volume No. and page Nos. For NAAS scoring of journals, list of Journals as identified by NAAS and available on Academy website: www.naasindia.org may be consulted and the Journal ID should be mentioned in the column provided in the proforma against each publication. For Thomson Reuters Impact Factor (IF) journals, NAAS Score = 6.0 + IF with capping on 20.00.

(iii) The **NAAS Score of all 10 publications will be added and multiplied by 0.4** with a cap of maximum of 50 marks

(iv) Attach one set of reprints of the 10 most important publications listed in the nomination and also submit soft copies of their PDF in one file**.**

B. Other Research Publications **– maximum 10 marks**

I. The nominees should submit the **list of other research publications (NAAS Rating >5), of relevance to Entomology, in chronological order**. For each publication give name(s) of the author(s), indicate the corresponding author by asterisk'*' after his/her name, year of publication, full title, name of the journal, volume No. and page Nos. etc as given under **'A'** above

II. First author and corresponding author will get full marks in a publication and rest of the authors gets 50% marks

III. ***Please note that publications should be other than those claimed in 10 best publications***

IV. The **NAAS Score of all twenty publications will be added and multiplied by 0.10** with a cap of maximum of 10 marks

2. PRODUCTS, TECHNOLOGIES, DISCOVERIES, PATENTS AND SOFTWARE **Max. 20 marks**

I. Developer of each patent with details of patent No., trade Marks and IP protection (commercialized/not commercialized)/ plant variety Gazette Notified by the CVRC/SVRC and released by Central Sub-Committee on crop Standards, Notification and Release with evidence/ biocontrol strains, Discoveries of new species/ new genus described following standard procedures/first reports/records of insects authenticated by accredited body(national level) or publication /Germplasm registered for insect pest resistance, diagnostic kit, process, concept, methodology, software/website/app development/Data base management/Expert system developed/Decision support system /models/New molecules/ chemical and biopesticide formulations. For online products, URL should be accessible

4 marks each

II. Research findings that become sustainable practices among the stakeholders. These include integrated pest management modules, insect conservation methods, post-harvest pest management technologies, institutional innovations, improvement and innovative extension efforts leading to large scale diffusion and adoption of technologies approved by AICRPs/ SAUs/ ICAR/ such organizations.

3 marks each

**Please note that products, technologies, discoveries mentioned at Sl. No. 10 of the Nomination form should be other than those claimed in 10 best publications. Authenticated document for each as mentioned above should be enclosed*

Developer (one) shall be awarded 100% marks, Co-developers (max. two) 75% marks and associates 50% marks. In case of publication **first author and corresponding author will get full marks in a publication and rest of the authors 50% marks.**

3. EXTERNALLY FUNDED PROJECTS **(Max. 10 marks)**

- Principal investigator of each project (minimum of 15 lakhs) funded by ICAR, CSIR, DST, DBT, SERB/ANRF, state governments of at least more than one year completed (Both completed and currently active projects are considered) (2 marks each)

- Co-Principal investigator of each project (minimum of 15 lakhs) funded by ICAR, CSIR, DST, DBT, state governments of at least more than one year completed (1 mark each)

4. INVOLVEMENT IN TEACHING/EXTENSION ACTIVITIES **(Maximum 05 marks)**

A. Teaching

i. **One mark** each for Doctoral degree awarded and **0.5 marks** each Masters degree awarded as a chairperson of advisory committee

ii. Teaching aids developed (Teaching manuals for course, study tour, industrial visit for students organized) **0.25 mark for each**

B. Extension

i. Front Line Demonstration conducted – **0.5 mark for each**

ii. Field day/ farmers fair, demonstration, exhibitions, Radio talks, TV presentations - **0.25 mark for each**

iii. Extension teaching aids developed- **0.25 mark for each**
